Dear Mr. Jensen,

In reference to your discussions with Ben Lamoreaux, and Doug Powell's site visit which took place on 11/12/05, enclosed are mine maps along with reclamation plans for the Berry Patch and Ace claims, as well as the engineer's estimate. We reached agreement with Doug Powell on the status of each area shown on the map during the site visit. The disturbed area is 4.984 acres. The engineer's estimate for reclamation is \$15,938 based upon two quotations from contractors in Southern Utah. Since we have posted a bond in the amount of \$15,000 with the BLM already, we are requesting that the BLM administer the bond, and that the remaining \$938 be sent to the BLM rather than the State of Utah. We have not included any administrative overhead in the estimate, only actual reclamation costs by a third party contractor. Since we are under the 5 acre limit, we request that the Kanab BLM office continue to oversee our work on these quarries, to eliminate additional administrative costs.

Please contact my son Ben Lamoreaux directly, at Lamoreaux, McLendon & Associates at (435) 586-0174 if you have any questions about the drawings or engineer's estimate.

You can contact me at my home at (435) 477-3350, or you can contact Ben Lamoreaux at (435) 701-1875 (cell phone), (435) 586-0174 (office).

Sincerely.

Paul Lamoreaux
